CHALLENGES

I. Demos without caribou!

CHALLENGES

1. Demos without caribou
2. Language

AB-2008-01

CHALLENGES

1. Demos without caribou
2. Language
3. \$ per sample set

CHALLENGES

1. Demos without caribou
2. Language
3. \$ per sample set
4. Caribou numbers – where are the caribou?

FUTURE:

- process samples
- collect FP feedback – harvesters
- *report findings

Bye for now, Baffin
